

# Expand with a competitive Advantage

## Silver Chef Advantage

Silver Chef Advantage is an amazing opportunity to focus on profit before payment. It's a four-year equipment finance lease, specifically tailored to give coffee companies a massive helping hand. What makes it so different from absolutely anything else on the market? It is the only financing solution of its kind to offer a six-month period entirely FREE from lease payments.

There's simply no other funder out there who's prepared to do the same. It's our way of giving you some much-needed breathing space, so you can reduce operating costs when you need to most, keep working capital in your own hands, and concentrate on building a healthy profit.

**Silver Chef** Advantage™

## How it works

- Silver Chef Advantage can jump start your expansion with no payments for 6 months.
- We fund all the equipment you need to produce and distribute roasted coffee - roaster and packaging equipment.
- Indicative approval tool – taking the fear out of finance
- Affordable weekly lease payments after your initial six month lease payment-free period.
- 12 months trading history and \$235 establishment fee required to access the funding.

Let's take a \$100,000 lease as an example:

Cash Price (exc GST)	\$100,000.00
Weekly lease payment (first 6 months with 0 payments)	\$0.00
Your ongoing weekly lease payment	\$807.70
Total lease period (months)	48

Our cost of funding over a 48 month term in the above example if \$226 per week or \$11,750 per year for \$100,000 of income producing assets.
